

DMA spreads ‘hope’ to those in need

The New Ulm Area Food Shelf was the recent recipient of a \$15,000 gift on behalf of the Cathedral of the Holy Trinity, New Ulm. The money for this outstanding gift was raised by the people of Cathedral parish as a part of the Diocesan Ministries Appeal (DMA). This money was generated to help the parish meet the DMA goal, but actually, was money that was generously given in excess of the parish goal. Shown making the presentation are parishioners (l-r) Doris Wiese, Don Gregg, Myrna Lange and Don Brand, and Msgr. John Richter, pastor of the Cathedral of the Holy Trinity. Ten thousand of the amount will be put toward the Food Shelf Building Campaign and the remainder will be used to purchase food. This gift to the food shelf was noted to be the single largest gift ever received by the New Ulm Area Food Shelf.
