St. Edward School, Minneota receives technology grant

Minneota – St. Edward School has received a technology grant sponsored by the Catholic Aid Association Foundation. This Catholic, not-for-profit, fraternal benefit organization was founded 128 years ago providing life insurance and products to Catholics. The foundation was created in1997 by the Catholic Aid Association to offer Catholic Aid members a vehicle for charitable donations. It focuses on three priority areas of giving: technology grants for schools and parishes; chastity and abstinence program; and disaster relief.
