Winsted - Student volunteers from Holy Trinity School in Winsted recently spent time volunteering at Sharing and Caring Hands in Minneapolis where they helped to prepare and serve a morning meal.

Founded by Mary Jo Copeland, Sharing and Caring Hands helps hundreds of people everyday with a hot meal or personal needs that most of us take for granted.

The students were given a personal tour by one of the many regular volunteers. On Tuesdays, the tour is

usually given by a home town Winsted, MN resident, Dorothy Holmers, who has been part of the "Tuesday Crew" at Sharing and Caring Hands for several years. On a recent volunteer visit to Sharing and Caring Hands, the students had the opportunity to experience a private prayer time with Mary Jo Copeland.
