

A blessing of the land

parishioners gather to pray for bountiful growing season

On March 25, the Area Faith Community of Sleepy Eye, Leavenworth, and Comfrey gathered at six farm/town sites to have their soil, seeds, water, and machinery blessed for the upcoming planting season. Over 100 people attended to have Fr. Brian Oestreich, Fr. Revocatus Mwakera, and Sister JoAnn Backus share a blessing and prayer for a safe and favorable planting and growing season. Blessed soil, water, and seeds were made available to everyone.
