

Meals for the hungry!

Bird Island - The “servant heart” theme was obvious, as a crowd of approximately 200 people gathered this winter at Athmann’s Ballroom in Bird Island, MN to package meals for the “Kids Against Hunger Program”, a satellite program located in Stewart, MN that distributes nutritious meals to starving children all over the world. The entire parish of St. Mary’s, in Bird Island, became involved in the project. This first, annual “Intergenerational Mission Project” was a huge success as 200

people, from the very young to the young at heart, packaged 50,000 meals and raised over \$2000 to cover the cost of the meals.
