

# Bible study for teens

**Murdock, MN - T3:** *The Teen Timeline with Mark Hart*, a bible study for teens, is being offered for the second time to the youth at Sacred Heart Parish in Murdock, MN. The first time the parish offered it, 14 teens participated. The second time, seven teens and one mom participated. (These teens are the ones who missed it the first time.) The teens have responded positively to the bible study and have reported how much they have learned.
