

Holy Trinity students give back to community during annual spring service day

Winsted, MN - Holy Trinity students spread throughout the Winsted community on April 25 to be of service to members of the community. "It was our annual spring service

day", said Campus Minister Elaine Kahle, "and it's our chance as a school to say thank you to many members of the community for the things that they do for Holy Trinity throughout the year. Helping rake their yards or wash their windows is just a small way of showing our appreciation." Students went to the homes of 22 different parishioners to volunteer their services. In addition several students cleaned the Adopt-a-Highway section of Hwy. 7, the parish cemetery and local parks. (Pictured l-r) Sixth graders joined with Dick and Joan Genty to get their yard ready for spring.
